Patty et al..

I understand that you are going to be in AK for meetings in SW AKre NEPA. Because cooperating agency issues are a matter of NEPA, I want to float with all of you the idea of bringing the client tribes into the meeting. The letter of May 21, from me and co-counsel, requested a preliminary meeting of us with COE and EPA officials to address preliminary issues mentioned in the letter, so that we could report back to the tribes. Because you and perhaps others from outside of AK will be here, it might make sense to re-think and have tribal representatives present.

I would appreciate your thoughts. Nevertheless, we will need an agenda for this meeting. We can all assist.

Jeff

August 13 should work for me. Mr. Meacham will be out of town, but he says to proceed.

Dave -

I just filled in the survey and selected only August 13 (anytime) as a date that works for me. That is because it is the only time that I can be in Anchorage in person for the meeting and I would prefer to be there in person. I checked with other EPA attendees (Mark Jen) and that will work for him.

Let me know if Aug 13 does not work for others and I can come up with alternate dates when I can conference call in.
